Elder J.E.White,

Marshall, Mich.

Dear Brother:

I have received and read your letters of December 11 and January 7. The latter came in the mail last night. I spend the evening in St. Helena, in a long church meeting, and reached home at quarter to eleven. Then I read your letter before retiring. This mornning I am hurriedly gathering my things together for a trip to Mountain View. So there is no time to write more than a few words.

I have instructed Brother Mason to telegraph you \$100.00. This in view of the fact that the taxes will go delinquent before a draft would reach you. I feel very deeply over this continual drain upon Mother's resources, and so does Brother Mason.

I will write no more to-day.

Yours in haste,

*J. E. White*

P.S. We are sending you five sacks and two boxes of dried fruit. I think I mentioned this in a former letter. We hope it will go through quickly, and will reach you in good condition.
