Dear Sisters:---

Your letter of March 6th came to hand some time ago, but Sister White has been unusually busy during the last few weeks in preparing for the Conference and laboring in connection withit. Her health has been very poor, and she has had to refrain from writing many things that she felt impressed to write.

With reference to the question that you ask, I have not been able to bring your letter before her, but this I can say, that while I do not know that there is anything in the testimonies for or against this question, this I do know, that when she has known our churches in different places being rented to other people, I have never heard her oppose it. We have a large church in Fresno, Cal., and I think they keep it rented out for Sunday services nearly all the time.. This does not interfere with their Sabbath services, nor any of their services during the week. I simply mention this, thinking that perhaps it might let a ray of light shine into your minds. If Sister White improves so that she feels able to write anything along this line, I will take pleasure in forwarding the same to you.

Trusting that the Lord will give you wisdom to conduct the work in that part of his vineyard, in a way that it will be an honor to His name, I am

Yours in the Master's service,  
Sara Mc Enterfer,  
Sec. for Mrs. E.G. White. ●
